EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Claim 13: the fourth compound down, delete the word "**quinozoaline**", and insert the word – quinazoline — in its place.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Terence Bogie on 04-23-04.

Allowable Subject Matter

Applicant's amendment of 07-21-03 has been considered. Claims 16-19 have been cancelled, and thus, obviated the previous rejections of 112/1st and 2nd paragraphs. With no other outstanding rejection, claims 1-15 are allowed.

Reason for Allowance

The following is an examiner's statement of reasons for allowance:

The invention is drawn to **tetracyclic** compounds of
benzo[g]imidazo[1,2-a]quinoxaline, benzo[g]pyrazolo[1,2-a]-
quinazoline, benzo[g]imidazo[4,5-c]quinoline, or benzo[g]-
thiazolo[4,5-c]quinoline, and pharmaceutical composition

thereof. The closest reference, **McQuaid et. al.** (US 5,153,196), generically teaches a benzo fused tetracyclic system (formulae III, and IV). However, the disclosed genera do not have an amino substituent that is equivalent to $-NHR_2$ of the instant formula I. Thus, said reference does not anticipate or render obvious the claimed compounds.

An update search yields the reference of **Burke et. al.** (US 2003/0022898 A1), having one common inventor. Said reference has the same priority date as the one claimed herein, and thus, it is not a competent prior art. Furthermore, the compound claimed in US'898 is a **tricyclic** system, and therefore, there is no issue of double patenting.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
